

### **REMARKS**

Claims 14-17, 20-23, 25-28, 29-30, 32-35, and 38-40 are all the claims presently pending in the application. Claims 1-13, 18-19, 24, 28, 31, 36-37, and 41-82 have been canceled. Applicants gratefully acknowledge the Examiner's indication that claims 14-19-23, 25-28, 29-30, 32-35, and 38-40 would be allowable if rewritten in independent form or amended to overcome informalities under 35 U.S.C. § 112, second paragraph.

Claims 14, 17-18, 20-23, 28-30, 35, and 38-40 have been amended in a manner believed fully responsive to all points raised by the Examiner, thereby to pass all of the claims to allowance. It is noted that "the signer's identification code" in line 41 of claim 23 derives its antecedent basis from line 8 of claim 23. No new matter has been added.

It is noted that the claim amendments herein are made only for more particularly pointing out the invention, and not for distinguishing the invention over the prior art, narrowing the claims, or for any statutory requirements of patentability.

Further, it is noted that, notwithstanding any claim amendments made herein, Applicants' intent is to encompass equivalents of all claim elements, even if amended herein or later during prosecution.

### **FORMAL MATTERS AND CONCLUSION**

In view of the foregoing, Applicant submits that claims 14-17, 20-23, 25-28, 29-30, 32-35, and 38-40, all the claims presently pending in the application, are patentably distinct over the prior art of record and are in condition for allowance. Should the Examiner find the application to be other than in condition for allowance, the Examiner is requested to contact
